Oral and Maxillofacial Surgery
and Specialist Implant Centre

ORAL SURGERY AND ORAL MEDICINE STUDY GROUP

The Oral Surgery and Oral Medicine Study Group (OSSG) is a congenial group of General Practitioners and Specialists. The group's first meeting was on the 4th April 1955 and apart from the short pause due to COVID 19 it has been in continuous existence for over sixty years.

The five meetings a year are relaxed and informal and we have a great selection of high calibre speakers planned for 2023. Attendance at meetings can be recorded as part of CPD.

The meetings are held over dinner on Monday evenings in the Thomas Cooper Room at The Original Coopers Alehouse.

The subscription fee for 2023 is **\$545.00** and includes the five meetings, dinner and drinks. **Casuals** \$140 per meeting. New members are of course very welcome.

Venue: Thomas Cooper Room – The Original Coopers Alehouse, 316 Pulteney Street, Adelaide.

Time: 6.30pm for 7.00pm start
